Gary,

For the briefing, we should include the current site activities and what is planned, the May 25th open house meeting, and the schedule for the ROD. CAS

John,

Before Gary starts preparing the briefing for Ron/Sam, what is the focus of the briefing?

The San Jacinto Schedule and how we are getting to the ROD and the May 25 meeting?

Or a complete site briefing? Or one for the latest inspection?

When we prepare a briefing on what we believe the focus should be and then Carl/Pam change it completely.

Please check with Carl. CAS
